

CANADIAN ADZUKI BEANS

Commercial Export Specification Sheet

GRADE: NO. 1 CANADA

Basis: Official grade basis is Pea Beans, No. 1 Canada. Moisture is shown as the seller's default commercial shipment range.

Product	Canadian Adzuki Beans
Origin	Canada (Ontario)
Grade basis	Beans, No. 1 Canada Azuki
Moisture	14.0 - 16.0% seller standard
Packing	Bulk, 25 kg / 50 kg PP bags, or 1 MT totes, as agreed

Moisture reference Commercial shipment range is shown as 14.0 - 16.0%. Under CGC moisture ranges for beans, azuki becomes damp over 18.0%.	Condition Cleaned, sound, dry, free flowing, free from objectionable odour, and free from contamination or live infestation.
Inspection Final lot quality to be confirmed by seller lot analysis and, if required, third-party inspection at loading.	Use in contracts This sheet is intended for quotations, product pages, and first draft export contracts. Buyer-specific colour, size, or confectionery requirements should be added only when requested.
