

CANADIAN LIGHT RED KIDNEY BEANS

Commercial Export Specification Sheet

GRADE: NO. 1 CANADA

Product Name	Canadian Light Red Kidney Beans
Origin	Canada (Ontario / Manitoba)
Grade Basis	Beans, No. 1 Canada Light Red Kidney
Commercial Moisture	14.0-16.0% (seller standard / commercial shipment range)
CGC Moisture Reference	No tough; damp over 18.0%
Typical Use	Export, quotation, product sheet and initial contract reference

COMMERCIAL NOTES

- Condition: cleaned, sound, dry, free from objectionable odour, and free from contamination.
- Write the class as Light Red Kidney, not generic "Red Kidney", because light red and dark red kidney beans are distinct market classes.
- Buyer-specific sizing, count, packaging, cooking performance, or inspection requirements can be added separately if requested.
