

# CANADIAN OTEBO BEANS

## Commercial Export Specification Sheet

**GRADE: NO. 1 CANADA**

### QUICK REFERENCE

<b>Product Name</b>	Canadian Otebo Beans
<b>Origin</b>	Canada (Ontario)
<b>Grade Basis</b>	Beans, No. 1 Canada Otebo
<b>Commercial Moisture</b>	14.0-16.0% (seller standard / commercial shipment range)
<b>CGC Moisture Reference</b>	No tough; damp over 18.0%
<b>Typical Use</b>	Export, quotation, product sheet and initial contract reference

### COMMERCIAL NOTES

- Condition: cleaned, sound, dry, free from objectionable odour, and free from contamination.
- Write the class as Otebo, not generic "White Beans", because Otebo is a distinct market class.
- Buyer-specific sizing, packaging, count, or inspection requirements can be added separately if requested.
